## **DISCUSSION**

### **KCPC Sustainability: Do We Dare to Do Something Extraordinary?**

*Abstract:* Sustainability is our ability to maintain or support KCPC activities over the long term. It's a method of harvesting or using resources so existing resources are not depleted or permanently damaged. Phase one of KCPC Sustainability Planning was introduced at the November 2015 GA meeting. Phase 2 occurred at the January 2016 GA Meeting where we prioritized the ideas generated using the 'Keep It, Ditch It, Discuss It' method. Today the group will be engaged in a 2-part activity designed to fine tune the official KCPC Action Plan for the next 8, 20 and 32 months.

- **Activity 1: Let's Vote - 8 Month Plan – Brian Hartl**
- **Activity 2: Let's "Discuss It" – Denise Herbert**
